SGIM is pleased to host its 36th Annual Meeting at the Sheraton Denver Downtown Hotel. This is a large meeting hotel, and you will find floor plans in the back of this program, on pages 99-100.

Meeting events are on several levels of both the Tower Building and the Plaza Building. Each session listing indicates both. For example: Plaza Building Concourse Level is abbreviated as PBCL.

Meeting Registration, plenary sessions, committee meetings and our annual meet and greet area are in the Plaza Building on the Concourse level – one level below the hotel front desk, where you get your room key.

Educational sessions are scheduled on the lobby level and the third level – one level up from Registration.

SGIM is not providing a Cyber Café this year, as the Sheraton Link® offers free wireless access and computers in the lobby.

Please make sure to wear your name badge to gain entry to all Annual Meeting events.
Staff in the registration area will gladly make corrections and/or provide replacements.

PHOTOGRAPHER
SGIM employs a professional photographer during the Annual Meeting who will be taking pictures of Annual Meeting events and participants. These photos may be used for SGIM promotional materials, either in print and/or on the SGIM website.

ANNUAL MEETING PRESS POLICY
SGIM permits members of the press to attend its Annual Meeting sessions. Members of the press are required to:
- register to attend the meeting
- wear name badges
- affix a “Press” ribbon to that name badge
Annual Meeting workshop and precourse session coordinators have the option of closing their session to members of the press, by asking if any are in attendance, and asking them to leave. All oral and poster sessions are open to the press.
FRIDAY AWARDS LUNCHEON KEYNOTE

Generalist Leaders and Wicked Problems
Catherine Reimis Lucey, MD

Dr. Lucey is Vice Dean for Education at the University of California, San Francisco School of Medicine. She directs the undergraduate, graduate and continuing medical education programs of the School of Medicine and the Office of Medical Education. Dr. Lucey comes to UCSF from Ohio State University where she was vice dean for education for the College of Medicine and associate vice president for health sciences education for the Office of Health Sciences. She is a member of the AAMC M85 committee, charged with overseeing the revision of the Medical College Admission Test process. Dr. Lucey also served as past Chair of the American Board of Internal Medicine Board of Directors. Dr. Lucey completed her residency in internal medicine, including service as chief resident, at the UCSF-affiliated San Francisco General Hospital, after earning her medical degree from the Northwestern University School of Medicine.

SATURDAY PLENARY SESSION KEYNOTE

New Payment Models: What’s Driving Them, and What Do They Mean for General Internal Medicine?
Richard J. Baron, MD, MACP

Dr. Baron will become President and CEO of the American Board of Internal Medicine and the ABIM Foundation in June, 2013.

From April 2012 until April 12, 2013, Dr. Baron was the Group Director, Seamless Care Models, at the Innovation Center at CMS. His portfolio included innovative ACO models and models of high value, comprehensive primary care. Before joining CMS, Dr. Baron led a general medicine practice that was a pioneer in the comprehensive adoption of electronic health records in the small practice environment, and was among the first 50 practices in the US to achieve level 3 PCMH recognition from NCQA. Dr. Baron also served as Chief Medical Officer of Health Partners, and was the architect of the Best Practices Incentive Program, funded by the Robert Wood Johnson Foundation and the Center for Health Care Strategies. This program reached plans serving more than half of the U.S. Medicare managed care population. Additionally, Dr. Baron was a member of the National Committee for Quality Assurance Standards Committee and director of the National Quality Forum. Dr. Baron was awarded the Pennsylvania Laureate Award, a Mastership from the American College of Physicians, and “Practitioner of the Year” by the Philadelphia County Medical Society.

**David E. Rogers Junior Faculty Education Awards**
Three David E. Rogers Clinician-Educator Awards will be given to Junior Faculty members whose workshops are judged the most outstanding among those presented at the Annual Meeting. Finalists will be Junior Faculty members of SGIM, and the awards are based on evaluations by participants. The Zlikoff Fund for Medical Education endows these awards.

*To be acknowledged post meeting in the SGIM Forum*

**Women’s Health Abstract and Poster Awards**
Two awards are given to the highest rated oral presentation and poster presentation, by a trainee or junior faculty member, in Women’s Health as judged by members of the Women’s Health Task Force.

*To be acknowledged post meeting in the SGIM Forum*

**Best Geriatrics Abstract Award**
This award is given to the most highly rated Geriatrics oral abstract presentation, to recognize outstanding research at the intersection of geriatrics and general internal medicine. Trainee travel stipends are also awarded annually, as funding permits, for highest ranking abstracts.

*To be acknowledged post meeting in the SGIM Forum*

**Best Cancer Research Presentation Awards**
These awards are given to the most highly rated Cancer Research oral abstract and poster presentations, to recognize outstanding research.

*To be acknowledged post meeting in the SGIM Forum*

**Outstanding Quality/Patient Safety Oral Presentation Award**
This award will recognize those who present the most outstanding oral abstract presentation related to quality assessment, gaps in quality of care, medical errors, quality improvement or patient safety in the inpatient or outpatient setting.

*To be acknowledged post meeting in the SGIM Forum*

**Exemplary Clinical Workshop Award**
This award will recognize those who present an outstanding clinically focused workshop.

*To be acknowledged post meeting in the SGIM Forum*

**EXPANDED CLINICAL VIGNETTE PRESENTATION OPTIONS**

**Vign-dates!**
Every year the meeting evaluation indicates more clinical content at the Annual Meeting would be appreciated. In 2013 we are introducing a new format during two Clinical Vignette oral presentation sessions — the Vign-date! Part vignette, part clinical update — the Vign-date sessions will feature 5 clinical vignettes about a common theme (perhaps new onset heart failure or zoonoses) followed by a 20-minute evidence-based “update” about that topic. The focused update will synthesize and build on the learning objectives from the vignette presentations so attendees will come away able to recognize the “zebras” but know how to take care of the “horses” as well.

**Clinical Vignette Walking Poster Tours**
Master Clinicians will conduct a walking tour through each of the three clinical vignette poster sessions. Attendees will have the option of joining a walking tour of selected poster presentations. Each of the poster presenters will give a brief summary of their posters’ key take-home points after which the master clinician will share insights, comments, and suggestions and lead discussion. We anticipate this new addition will make the poster sessions more interactive, while adding educational value for both the poster presenters and the tour participants. We invite you to join in! No registration is required.
CONTINUING MEDICAL EDUCATION INFORMATION

Annual Meeting Purpose
This meeting is intended to develop the professional skills of academic general internists and others interested in medical education, health care delivery and policy, and clinical general medicine. A variety of learning modalities, including lectures, workshops, and author presentations, offers attendees the opportunity to develop a personalized educational experience. Research findings, interesting clinical cases, and skill-building opportunities addressing issues important to academic general medicine will be presented.

Who Should Attend?
This meeting is designed to serve the needs of general internists and other primary care and specialty physicians interested in medical education, health care delivery and policy, and clinical general medicine.

Accreditation
This activity is being planned and will be implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Alabama School of Medicine (UASOM), and the Society of General Internal Medicine (SGIM). The UASOM is accredited by the ACCME to provide continuing medical education. Physicians should only claim credit commensurate with the extent of their participation in the activity. The University of Alabama at Birmingham is an equal opportunity/affirmative action institution.

CME Credit Designation
The UASOM designates AMA PRA Category 1 credits™ as follows:
Annual Meeting: up to 17.5 hours
CME credit hours are not provided for poster sessions or interest group meetings. Physicians must complete an online CME application, identifying the specific sessions that they actually attended.
All CME applications must be completed within 12 months of the last day of the annual meeting.
Please Note: Physicians may not apply for, nor claim, AMA PRA Category 1 credit(s)™ for sessions in which they present; they may claim AMA PRA Category 2 credit(s) for preparation time.

Presenter Disclosure of Dual Commitments
SGIM requires all presenting faculty to comply with the SGIM Policy on Dual Commitments. Precourse and workshop submissions require every presenter to provide information regarding any and all external funding relating to the content of the submission. The SGIM CME committee will contact each presenter disclosing commercial external funding in order to resolve all conflicts of interest. CME credit will not be awarded for participation in sessions presented by those whose conflicts of interest cannot be resolved. Disclosure information is provided to attendees in all print and electronic meeting materials. A copy of the SGIM Policy on Dual Commitments is available on our website. Disclosure information is provided to attendees in all print and electronic meeting materials. A copy of the SGIM Policy on Dual Commitments is available on our website. Unless noted, each presenting author has submitted this required information and has no unresolved conflicts to report.

Opportunity for participants to brainstorm and network with each other in a fast paced, productive session that allows the collective wisdom of the group to set the stage for the morning panel discussion and afternoon networking lunch.

9:15 AM - 9:30 AM  
**Break**

9:30 AM - 11:45 AM  
**Panel Discussion and Q&A**

*Defining the Value of GIM in Academic Health Systems – Perspectives from Leadership*

Healthcare reform is moving ahead, potentially giving a huge boost to primary care and GIM in multiple different ways. However, there is also a risk that reform will be implemented and led by the specialists and sub-specialists who traditionally lead academic medical centers. In this session we have assembled a group of diverse leaders from academic medical centers to: 1) discuss how healthcare reform is proceeding at their institutions; 2) discuss where they think that GIM fits in; 3) discuss specific threats and opportunities for both primary care and hospitalists moving forward.

What’s New at SGIM?

The Society of General Internal Medicine (SGIM) is excited to announce the launch of our newly designed, easy to navigate website located at www.sgim.org. In addition to our new logo, this member-centric website proudly presents GIM Connect – SGIM’s new collaborative online environment.

This new platform will be the premier route for our members to interact with one another through file sharing, discussion boards, blogs, etc. The website will also feature exciting new areas in research, education and clinical practice as well as information on advocacy and SGIM’s award winning career center.
