PLENARY SESSIONS

Thursday Opening Plenary Session Keynote

PRESIDENTIAL ADDRESS

Eric B. Bass, MD, MSPH
Professor of Medicine with joint appointments in Health Policy and Management, Epidemiology, and Nursing at the Johns Hopkins University

Dr. Bass attended Duke University for college and medical school, and received his residency training in internal medicine and an MPH degree from the University of Pittsburgh. He completed a fellowship in general internal medicine at the Johns Hopkins University, and joined the Johns Hopkins faculty in 1989. His strongest research interests are in evidence-based medicine and assessment of the effectiveness, safety, and costs of medical and surgical management strategies. He has been the Director of the Johns Hopkins University Evidence-based Practice Center for the last 12 years and previously served as the Co-Director of the Johns Hopkins DEcIDE Center (Developing Evidence to Inform Decisions about Effectiveness). He recently was appointed to serve as the Co-Director of a research facilitating team for the Johns Hopkins Community Health Partnership, an innovative multidisciplinary program funded by the Centers for Medicare and Medicaid Services. His current teaching activities focus on medical student education at the interface between medicine and public health. He is the Director of the medical school’s course on Foundations of Public Health, and Co-Director of the medical school’s Scholarly Concentration in Public Health and Community Service. He was the Director of the General Internal Medicine Fellowship at Johns Hopkins for 15 years. He served as the Editor of the Journal of General Internal Medicine for 5 years, and was the founding Editor-in-Chief of a journal dedicated to community-based participatory research called Progress in Community Health Partnerships. He has published 209 peer-reviewed articles and 40 evidence reports. He continues to have a clinical practice as a general internist. Dr. Bass is the current President of the Society of General Internal Medicine.

Friday Plenary Session 2014 MALCOLM L. PETERSON

HONOR LECTURE

Primary Care: Romance and Reality

Mark D. Smith, MD, MBA
Founding President, California HealthCare Foundation

As President of the California HealthCare Foundation, Smith built the Foundation into a recognized leader in the public reporting of care quality, health policy analysis, and applications of new technology in healthcare. Smith also spearheaded the launch of California HealthLine and iHealthBeat, daily electronic publications with a combined circulation of 60,000.

CHCF was originally created to manage the monetization of stock of the newly formed WellPoint Health Systems, which yielded $2.5 billion. After completing the transaction, Smith led the development of the Foundation’s philanthropic operations, starting with approximately $500 million in assets. CHCF has made $650 million in charitable grants and has a current corpus of approximately $720 million. While at the California HealthCare Foundation, Smith also established the CHCF Center for Healthcare Reporting at USC, an award-winning initiative which partners with local publications and broadcast outlets throughout the State; the CHCF Innovation Fund, which invests in companies advancing the Foundation’s mission; the CHCF Leadership Fellows Program, whose 300 alumni are leaders in virtually every clinical enterprise in California; and the California Joint Replacement Registry.

Before founding CHCF, Dr. Smith was Executive Vice-President of the Henry J. Kaiser Family Foundation, where he oversaw programs in HIV, Reproductive Health, and the Health Care Marketplace. Prior to that, he was a faculty member at the Johns Hopkins Schools of Medicine and of Public Health.

Dr. Smith was elected a member of the Institute of Medicine in 2001. He serves on the Boards of the Institute for Healthcare Improvement and the Archstone Foundation, and on the National Governors Association’s State Health Policy Advisory Board.

Saturday Awards Breakfast and Keynote Address

Rethinking How to Strengthen Partnerships with Communities

America Bracho, MD
America Bracho is the Executive Director of Latino Health Access, a center for health promotion and disease prevention located in Santa Ana, California. Latino Health Access facilitates mechanisms of empowerment for the community and trains community health workers as leaders of wellness and change. Dr. Bracho worked as a physician in her native Venezuela for several years, after which she came to the U.S. to obtain a Master’s Degree in Public Health at the University of Michigan. She is also a certified diabetes educator.

Dr. Bracho is a current member of the Board of Trustees for Casey Family Programs and a former trustee of the Marguerite Casey Foundation. She served on the Institute of Medicine Round Table on Health Disparities and on the Advisory Committee for the Robert Wood Johnson Foundation Local Initiative Program. Dr. Bracho has been a consultant and presenter for national and international organizations and institutions of higher education. She has been a valuable faculty member for several international courses in Latin America, Australia and Europe. She has received several awards for her contributions including: The California Leadership Award, James Irvine Foundation 2008, Doctor of Humane Letters, honorary degree from the Arizona School of Dentistry & Oral Health, May 2007; Southern California Public Health Association’s Milton Roemer Award, April 2005.

NEW THIS YEAR!
ACLGIM LEAD PROGRAM

The LEAD program is designed for junior-mid career faculty (e.g. 5-8 years into faculty appointment) who hold various leadership roles and wish to further develop their leadership skills through training and coaching from successful GIM leaders at the ACLGIM/SGIM spring meeting and in the year following. Participants for the LEAD program are chosen via a competitive peer-review application process. In addition to the LEAD Core Sessions at the ACLGIM Hess Leadership and Management Institute on Wednesday, April 23, participants must choose to attend 2 of 3 LEAD workshops on Thursday, Friday, and Saturday. The LEAD program is an additional fee event; registration is $500 plus registration for the ACLGIM Hess Institute and the SGIM Annual Meeting.

Participation also entails independent readings/assignments, online discussion, and regularly scheduled direct communication with an ACLGIM LEAD coach in the year following this meeting. For more information, visit www.sgim.org/aclgim/lead.

HIGHLIGHTS

SPECIAL PROGRAMMING 2014

THURSDAY
Exceptional Family Resource Center Posters
5:30 – 7:00 PM (during Scientific Abstract Poster Session 2)
Grand Hall A/B, Lobby Level

Embracing the meeting theme of Building the Bridges of Generalism: Partnering to Improve Health, the program committee reached out to the Exceptional Family Resource Center (EFRC), a San Diego community-based organization that is part of the Interwork Institute at San Diego State University.

EFRC staff will present five posters highlighting the variety of collaborative efforts between their organization and healthcare professionals in the following areas:

1. Education of Medical Trainees: “Operation Housecall” matches pediatric residents with families for home visits. The purpose of the visits is to give residents an opportunity to observe and talk about the impact a family member’s illness or disability has on the family dynamic. Families have adopted when faced with challenges and lessons families have learned to “normalize” their experiences and routines.

2. Discharge Planning: “Systematic Referral for Support Protocol” established tools to help families plan and know what to expect during and after discharge and a specific protocol for hospital staff to refer families for support.

3. Medical Appointment Peer Support: “Parent Family Liaison Services” afforded EFRC staff members the opportunity to attend clinic visits with patients and coach patients/families on ways to get the most out of their visit (e.g. what questions to ask, etc.) and tips for navigating the clinic and health care system.

4. Patient/Family Advisory Council: Utilizing tools and training from the Maternal Child Health Bureau and Family Voices, EFRC can provide technical assistance, strategies for participant recruitment and logistical support for establishing a patient/family advisory council.

5. Project Leadership is a 21-hour curriculum in which EFRC staff train and continue to mentor parents to participate at the decision-making level to impact systemic change within the health care system. “Project Leadership” graduates are committed to contributing their knowledge and perspectives to initiatives focused on improving the delivery of care. Strategies will also include collaboration with healthcare providers and researchers to develop education modules which relate research, policy, and practice in terms of best practices: advocacy, systems navigation, patient care and family involvement.

FRIDAY
Special Programming on Medicine and the Arts
The program committee also reached out to faculty from the Program in Medical Humanities and Arts at the University of California, Irvine School of Medicine and is pleased to offer the following sessions on Friday:

Concurrent Session C – 10:00 – 11:30 AM
Session SSC2: Partnering with Art in Medical Education: Medical Readers’ Theater
Solana Beach A/B, 3rd Floor

Concurrent Session D – 1:00 – 3:30 PM
SSD3: Examine the Painting - Examine the Patient
offsite event

Friday Interest Group Session – 5:00 – 6:00 PM
IF02: SGIM Arts and Music Interest Group
Conference Parlor 633

NEW THIS YEAR!

Visit Vignette Posters and Win Prizes!
Do you love Clinical Vignettes? Do you love Free Starbucks?
Join in the fun at the Vignette Poster Sessions for a new competition for attendees. As if visiting the vignette posters wasn’t reward enough, now you will have the opportunity to win STARBUCKS GIFT CARDS!!
Here’s how it works: You peruse posters as you normally would and stop to chat with presenters to ask them about their cases. You have the opportunity to collect stickers from each poster presenter that you visit. Those who collect the most stickers at each session will be entered into a drawing for one of three Starbucks gift cards. Game cards can be found in your registration packet.
Support vignettes, refresh your clinical knowledge, interact with trainees, and win coffee! Can you visit more posters than anyone else? If you don’t play, you can’t win!
The competition Poster Sessions will be:
Vignettes Poster Session 1 Thursday 11:30 AM-1:00 PM
Vignettes Poster Session 2 Friday 2:30-3:30 PM
Come check out our amazing vignette presentations and tap into your competitive spirit at the same time!

NEW IN 2014!

Oral Abstract Sessions Pilot Shorter Presentation Format
This year we are piloting a new format for oral abstract presentations – the “short oral” format. In this format, instead of the usual timing of 10 minutes for presentation followed by 5 minutes of questions and discussion, each of 8 presenters in a session will have 6 minutes for presentation and 3 minutes for discussion. The last 18 minutes of the session will be devoted to a synthetic discussion led by the moderator that integrates key themes that emerged from the work presented and highlights future directions for the field. We are testing this format in 2 of the 24 oral sessions for scientific abstracts (Session ASA3, Health Disparities/Vulnerable Populations, on Thursday at 1:00 and Session ASD2, Medical Education Scholarship and Professional Development, on Friday at 1:00). The presenters were selected at random to participate in this format, and these sessions have the same prestige as our “regular” oral sessions.

We will be collecting feedback on these sessions to see if we should consider expanding use of this format in future years. Please come to these sessions, cheer on your colleagues, and give us your feedback.

To be acknowledged post meeting in the SGIM Forum
CONTINUING MEDICAL EDUCATION INFORMATION

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Alabama School of Medicine (UASOM), and the Society of General Internal Medicine (SGIM). The UASOM is accredited by the ACCME to provide continuing medical education for physicians. The University of Alabama at Birmingham is an equal opportunity/affirmative action institution.

CME CREDIT DESIGNATION
The UASOM designates this live activity for a maximum of 13.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Wednesday daytime sessions may carry additional AMA PRA Category 1 Credits™. Your total number of AMA PRA Category 1 Credits™ will depend on how many sessions you attend.

CME credits are not provided for poster sessions, interest groups, or workshop WB07. Physicians must complete an online CME application, identifying the specific sessions that they actually attended. All CME applications must be completed within 12 months of the last day of the Annual Meeting.

Please Note: Physicians may not apply for, nor claim, AMA PRA Category 1 Credits™ for sessions in which they present; they may claim AMA PRA Category 2 credit(s) for preparation time.

WHO SHOULD ATTEND?
This meeting is designed to serve the needs of general internists and other primary care and specialty physicians interested in medical education, health care delivery and policy, and clinical general medicine.

ANNUAL MEETING PURPOSE
This meeting is intended to develop the professional skills of academic general internists and others interested in medical education, health care delivery and policy, and clinical general medicine. A variety of learning modalities, including lectures, workshops, and author presentations, offers attendees the opportunity to develop a personalized educational experience. Research findings, interesting clinical cases, and skill-building opportunities addressing issues important to academic general medicine will be presented.

LEARNING OBJECTIVES
After participating in this CME activity, physicians should be able to:
1. Analyze the evidence behind different strategies to enhance partnership in general internal medicine clinical practice, teaching, research, advocacy, and/or leadership.
2. List at least one skill learned during the meeting to enhance partnership in their clinical practice, teaching, research, advocacy, and/or leadership.
3. Describe an action plan to apply at least one skill learned during the meeting to enhance their patient care, teaching, research, advocacy, and/or leadership.

DISCLOSURE OF DUAL COMMITMENTS POLICY
SGIM requires all presenting faculty to comply with the UASOM Policy on Financial Disclosure. SGIM will contact each presenter disclosing commercial external funding in order to resolve all conflicts of interest. CME credit will be withheld from sessions presented by those whose conflicts of interest cannot be resolved. Disclosure information is provided by SGIM to attendees in all print and electronic meeting materials. Speakers with commercial funds supporting their precourse or workshop are required to disclose that relationship at the beginning of their session.

A copy of the University of Alabama School of Medicine Policy on Dual Commitments is available on the Annual Meeting website – www.sgim.org/meetings/annual-meeting.

Leon Hess Management Training and Leadership Institute

Wednesday, 8:30 AM – 5:00 PM
Making the Case for General Medicine: Communicating Skills for Leaders in General Medicine
8:30 AM – 12:00 NOON
Mission Beach, 3rd Floor

This half-day training workshop led by Andrew Burness of Burness Communications, will focus on practical communications skills for leaders in general medicine to assist them in “making the case” for general medicine and engaging new audiences, champions and recruits. In addition to focusing on how to develop messages and presentations that resonate with different audiences, participants will learn about tools to deliver messages – even in challenging situations – and practice using them in real time. This session will be driven by practical skills, real-life examples, and interactive exercises to engage participants throughout the morning.

Lunch
12:00 NOON – 1:00 PM
Promenade A/B, 3rd Floor

Over lunch, participants will have opportunities to network and discuss issues of specific interest at topic tables

Improvisational Teambuilding
1:00 – 3:00 PM
Mission Beach, 3rd Floor

This 2-hour workshop is an innovative approach to group teambuilding and setting team goals. It was developed by the National Comedy Theatre and is based upon a series of games and exercises. Laughing together is an effective way to learn about how colleagues communicate and how individuals can be brought together to work more effectively as a team. Participants will learn about the power of comedy as a communication tool for leaders to harness the energy of the group.

3:00 – 3:15 PM Break

CONCURRENT AFTERNOON WORKSHOPS

3:15 – 4:45 PM
Time Management Skills for the Developing Leader
Session Coordinator: Deborah Burnet, MD, MA
Additional Faculty: April S. Fitzgerald, MD, Jennifer G. Smith MD, Erik Wallace, MD

This 90-minute workshop will focus on time management skills. Effective time management is crucial for every leader, so this session includes how to think about your time, prioritize, delegate, and adopt a construct to organize your work. Self-assess your work habits and consider suggestions to increase your efficiency. Communication tips and individual/group exercises are also included in this session.

3:15 – 4:45 PM
Panel Discussion: Leading Academic Medical Centers into ACA Waters
Katrina Armstrong, MD, MSCE, Laurence F. McMahon, MD, MPH, Russ Phillips, MD, MPH

22. Deep Vein Thrombosis Below the Knee: Do We Treat and Should We Treat?  
    Anita Pudusseri; Raji Shameem; Robert E. Graham

23. Standardizing the Definition of Reduced Mobility When Assessing the Patient’s Risk of Venous Thromboembolism  
    Alexander Weick; David Paje; Bronwyn Small; Muhammad Usman; Jainil Shah

24. Potential Impact of the Padua Risk Assessment Model on the Use of Venous Thromboembolism Prophylaxis in a Tertiary Medical Center in the United States  
    Bronwyn Small; Alexander Weick; David Paje; Muhammad Usman; Jainil Shah

25. Malignant hypertension-induced thrombotic microangiopathy: Can it be distinguished from thrombotic thrombocytopenic purpura?  
    Sumit Dahal; Smrity Upadhyay; Nabin Kanai; Vijaya R. Bhatt

    Tadeo A. Diaz Balderrama; Caroline Pace; Jennifer Wright; Shivtej Kaushal; Alexandria Goldin

27. Impact of Conflict of Interest Policies on Physician Prescribing of Antipsychotics 2008-2011  
    Timothy Anderson; Haiden A. Huskamp; Andrew Epstein; Colleen Barry; Aju Men; Ernst R. Berndt; Marcela Horvitz-Lennon; Sharon-Lise Normand; Julie M. Donohue

28. Cost Effectiveness Comparison of Screening Strategies for Latent Tuberculosis Infection among Bacillus Calmette-Guerin Vaccinated Health Care Workers  
    Mehrshid Kiazand; Noor Khan; Kenneth J. Smith

Session details are online at [www.sgim.org/meetings/annual-meeting](http://www.sgim.org/meetings/annual-meeting)
29. Knowledge, attitudes, and practices of physicians-in-training relating to costs of care
   Celine Goetz; Kira L. Ryskina; Tara F. Bishop

30. Underdiagnosis of Hypertension in Adults
   Emeka C. Anyanwu; David Kaelber

31. An Internet-Based Study Characterizing the Association between Pain Severity and the Burden of Fibromyalgia in the US
   Elizabeth T. Masters; Caroline Schaefer; Rachael Mann; Joseph C. Cappelleri; Shoshana Daniel; Edgar Adams; Gergana Zlatева; Heather McElroy; Arthi Chandran; Annlouise Assaf; Michael McNutt; Phillip Mease; Stuart Silverman; Roland Staud

32. A simple screening method to detect malignancy using red cell distribution width (RDW)
   Hiroaki Wakakuri; Toshihiko Ohara; Makoto Suzuki; Sonoko Kirinoki; Naoko Onodera; Takashiro Araki; Hideya Hyodo; Makoto Kawai; Masahiro Yasutake

33. Obesity, Disordered Eating Behaviors, and Difficulty Making Dietary Changes among Primary Care Patients with Moderate to Severe Obesity
   Sara A. Chacko; Sarah N. Chiodi; Christina C. Wee

34. Excessive perspiration is a predictive factor for aggravation of rhodanymolysis
   Masaki Tago; Naoko E. Furukawa; Yuka Naito; Akiko Eiri; Hiroki Aihara; Motoshi Fujiwara; Jun Tokutomis; Motosuke Tomonaga; Yuta Sakamishi; Tsuneaki Yoshioka; Norio Fukumori; Masaki Hayakutake; Itaru Krayaku; Takashi Sugikawa; Shu-ichi Yamashita

35. Metabolic risk factors and genetic risk partially mediate the risk of type 2 diabetes conferred by parent diabetes history in the Framingham Heart Study
   Sridharan Raghavan; Bianca Porneala; Joseph Dupuis; James B. Meigs

36. Diabetes Control in Older Patients in Primary Care Clinic vs. Endocrinology Clinic
   Zoobia Chaudhry; Phil Levin; Lee Bromberger; Hsin-Chieh Yeoh

37. Risk factors for recurrent Clostridium difficile infection: a systematic review and meta-analysis
   Abhishek Deshpande; Vinay Pasupuleti; Priyaleela Thota; Chaitanya Pant; David D. Rolston; Adrian V. Hernandez; Curtis J. Donskey; Thomas Fraser

38. Time Trends of Clinical Outcome and Spending of Care for Acute Myocardial Infarction Hospitalizations in the United States, 2001-2011
   Takehiro Sugiyama; Kohei Hasegawa; Osamu Takahashi; Tsuguya Fukui; Yusuke Tsugawa

   Takehiro Sugiyama; Yusuke Tsugawa; Chi-Hong Tseng; Yasuki Kobayash; Martin F. Shapiro

40. Parathyroid Hormone Suppression And Incident Heart Failure
   Derar Albashairey; Kawanjit Sëkhon; Mona Hassan; Laila Shiekh Sroujieh; Meghan G. Liroff; Waqas Qureshi

41. Effectiveness of a heart failure education intervention in a low literacy patient population.

John E. Butter, MD, Northwestern Medical Faculty Foundation, Chicago  
Joseph P. DeLuca, MD, Montefiore Medical Center  
Pete Yungyongying, MD, University of Texas-Southwestern

At the completion of this session, those enrolled in ABIM’s MOC program must submit their answers to ABIM for scoring in order to receive MOC credit. Participants enrolled in MOC should go to your Physician Login at [www.abim.org](http://www.abim.org). Log in and click on “My Maintenance of Certification Program” to order from the menu of available modules. At the conclusion of the Learning Sessions, each participant will transfer the answers to their online module and submit the module to ABIM for scoring.

ABIM will send participants a Score Report that will confirm whether or not the module was completed successfully. Those who complete each module successfully will receive 10 points toward ABIM’s Self-Evaluation of Medical Knowledge MOC requirement.

In addition, The University of Pennsylvania School of Medicine has designated these medical knowledge modules as educational activities for a maximum of 10 AMA PRA Category 1 Credits™ each. Physicians enrolled in the ABIM MOC program who complete these modules should only claim credit commensurate with the extent of their participation in the activity. After you successfully complete your knowledge module and MOC credit is granted, a survey will appear on your home page for you to complete and submit to claim CME credit.

For additional information about ABIM’s MOC program requirements, visit [www.abim.org](http://www.abim.org) or call the ABIM Contact Center, 800-441-ABIM.
