Download the SGIM meeting mobile app!

As part of SGIM's initiative to host environmentally sound meetings, the ACLGIM Winter Summit will be paperless. There will be no printed agendas or other handouts at the meeting. All documents and last-minute room/schedule changes will be communicated via the mobile meeting app. We highly encourage you to use the app for the most up-to-date information. The app can be accessed across multiple devices. **If you attended the SGIM23 meeting in Colorado earlier this year, you may already have the app on your phone.

How to download and install the mobile app:

- Search the keyword "SGIM" on the Apple App Store or Google Play.
- Once you open the app, select the logo for the event you wish to access: **2023 ACLGIM Winter Summit**.
- Press the "Select event" button at the bottom of your screen to load the event.
- Click the Login Button and enter the email you used to register.
- Check your email for the sign-in link.
- You will be logged in until you log yourself out.
- Customize your experience by using the menu at the bottom of the screen.
