

2023-2024 LEAD Scholarship Support

ACLGIM is committed to ensuring equitable access to its leadership development programming in this especially challenging time of limited academic funding. In 2022-2023, the organization has committed \$25,000 to support the LEAD Program.

Scholarship funding in the amount of \$1,000 - \$2,000 will be available for selected participants.

This funding will help selected participants offset the direct costs of the program. This does not include support for travel or incidental expenses. Fees supported include:

- LEAD Certificate fee: \$1,100
- ACLGIM Membership fees for 2 years: \$565
- SGIM Annual Meeting fee: \$790
- ACLGIM Hess Registration fee: \$500

As part of your application, please include a brief statement indicating insufficient funding is available to cover cost for participation and a general outline of support that would be needed to participate, up to \$2,000.

***Attention UNLTD Applicants:** Those participants who are also selected by the UNLTD program will automatically receive support for the LEAD certificate fee in addition to the Hess Institute registration fee.*
