Who Should Attend?

This meeting is designed to serve the needs of junior hospitalists who are pursuing an academic career. The Academy is designed for any hospitalist that engages in teaching, scholarship, quality improvement or patient safety. General internists and other primary care and specialty physicians with similar interests are also encouraged to attend.

Mentorship to Product Program

For AHA alumnae who express an interest, the AHTF will provide a 1:1 pairing with a mentor. One focus of the mentorship will be to work on a specific project that can be brought to the point of presentation at an SGIM meeting and/or publication. If interested, email machulskyj@sgim.org
