

Society of General Internal Medicine Virtual Regional Meeting California-Hawaii & Northwest Regions

January 22-23, 2021

*Empowering Generalists to Transform the Future of Healthcare Delivery:
Reflecting on the Dual Pandemics*

Friday, January 22, 2021

1:00 PM PT	Welcome and Introduction, Day One		
	<p>Afshan Baraghoush, MD <i>California-Hawaii Regional Meeting President; University of California, Irvine</i></p> <p>Alicia Carrasco, MD <i>Northwest Regional Meeting President; University of Washington, Boise</i></p> <p>Amy Kwon, MD <i>Northwest Regional Meeting Co-Chair; Oregon Health & Science University</i></p> <p>Sara-Megumi Rumrill, MD <i>California-Hawaii Regional Meeting Co-Chair; University of California, San Francisco</i></p>		
	Concurrent Oral Presentations		
	<i>Scientific Abstracts</i>	<i>Innovations</i>	<i>Clinical Vignettes</i>
1:15 PM PT	<p>Factors associated with low value cancer screening in the Veterans Health Administration</p> <p>Linnaea Schuttner, MD, MS <i>University of Washington</i></p>	<p>VICE: A virtual diagnostic reasoning conference for the COVID-19 era</p> <p>Alex Logan, MD <i>University of Washington</i></p>	<p>Breast cancer progression: Collateral damage of the COVID-19 pandemic</p> <p>Sammie Fung <i>University of California, San Diego</i></p>
1:30 PM PT	<p>Racial disparities in potentially avoidable hospitalizations during the COVID-19 pandemic</p> <p>Richard Leuchter, MD <i>University of California, Los Angeles</i></p>	<p>An immersive virtual multidisciplinary clinical experience during COVID-19: The value of a case management elective</p> <p>Erynn Beeson <i>Oregon Health & Science University</i></p>	<p>Taking a page out of the secondary hypertension workup: A case of liver metastases causing Page kidney phenomenon</p> <p>Claire Enriquez, MD <i>Cedars-Sinai Medical Center</i></p>
1:45 PM PT	<p>The prevalence, costs, and harms of low-value cancer screening among Americans with Alzheimer's and related dementias</p> <p>John Mafi, MD, MPH <i>University of California, Los Angeles</i></p>	<p>Responding to microaggressions from patients: A "just-in-time" training for faculty</p> <p>Daniel Wheeler, MD <i>University of California, San Francisco</i></p>	<p>Argh—me toe hurts matey!</p> <p>Ryan Day <i>University of Washington</i></p>

2:00 PM PT	Understanding the experience of hospitalized patients with substance use disorder during the COVID-19 pandemic: a qualitative study. Dana Button <i>Oregon Health & Science University</i>	Empowering medical students in telemedicine: A skills workshop for best practices in communication and physical exam in video visits Rika Bajra, MD <i>Stanford University</i>	Purulent pericarditis and tamponade caused by methicillin-resistant Staph aureus infection Alice Kehaya, MD <i>Oregon Health & Sciences University</i>	
2:15 PM PT	Updates in General Internal Medicine, Part I Jeff Kohlwes, MD, MPH <i>Division Chief, Division of General Internal Medicine Co-Director, PRIME Residency Program University of California, San Francisco</i>			
2:45 PM PT	Break			
	Concurrent Workshops: Session A			
2:50 PM PT	We bear witness to suffering: teaching narrative medicine to foster physician well-being in the pandemic era Brook Pittenger, MD <i>Oregon Health & Science University</i>	Advancing improvement science skills to address the dual pandemics Anuradha Phadke, MD <i>Stanford University</i>	Words matter: race, sex and gender bias in medical documentation and patient care Anna Solotskaya, MD <i>Oregon Health & Science University</i>	Fall assessment and prevention during a pandemic Silvia Tee, MD <i>Stanford University</i>
3:50 PM PT	Keynote: Racial disparities in COVID-19: Social determinants of health equity Ebony Price-Haywood, MD, MPH, FACP <i>Associate Professor of Medicine, Ochsner Clinical School Director, Center for Outcomes & Health Services Research, Ochsner Health Director, Ochsner Primary Care Research Network</i>			

Saturday, January 23, 2021

8:00 AM PT	Welcome and Introduction, Day Two Scott Hagan, MD <i>Northwest Regional Meeting Co-Chair; University of Washington</i> Lili Shek, MD, MHDS, FACP <i>California-Hawaii Regional Meeting Co-Chair; Cedars-Sinai Medical Center</i>
---------------	---

8:05 AM PT	Poster Sessions			
9:00 AM PT	Updates in General Internal Medicine, Part II			
	Emily Janetos, MD <i>Assistant Professor, General Internal Medicine & Geriatrics Oregon Health & Science University</i>			
	Courtney Tuegel, MD <i>Acting Instructor, General Internal Medicine University of Washington</i>			
9:30 AM PT	Break			
	Concurrent Workshops: Session B			
9:40 AM PT	The public health threat underlying the dual pandemics: Empowering internists to examine the impact of climate change on health	Applying the 4-question guide: A schema to successfully analyze the medical literature	Mapping the social and structural determinants of health using improvement science	Cognitive assessments in the age of telemedicine
	Andrea Christopher, MD, MPH, FACP <i>University of Washington, Boise</i>	Jeff Kohlwes, MD, MPH <i>University of California, San Francisco</i>	Andrea Smeraglio, MD <i>Oregon Health & Science University</i>	Alice Mao, MD <i>Stanford University</i>
10:40 AM PT	Break			
	Concurrent Workshops: Session C			
10:50 AM PT	Fostering anti-racism in medicine: Interrupting bias and identifying white supremacy culture in clinical teaching, communication, and care	Presence 5 for racial justice in medical education: Disrupting anti-black racism to promote health	Exceptional care for exceptional circumstances: Teaching telehealth during a pandemic	Teaching diagnostic reasoning on the wards: A toolkit for residents and attendings
	Anna Morenz, MD <i>University of Washington</i>	Megha Shankar, MD <i>Stanford University</i>	Kaleb Keyserling, MD <i>Oregon Health & Science University</i>	Daniel Minter, MD <i>University of California, San Francisco</i>
11:50 AM PT	Closing Remarks and Awards			
	Scott Hagan, MD <i>Northwest Regional Meeting Co-Chair; University of Washington</i>			
	Amy Kwon, MD <i>Northwest Regional Meeting Co-Chair; Oregon Health & Science University</i>			

Sara-Megumi Rumrill, MD
California-Hawaii Regional Meeting Co-Chair; University of California, San Francisco

Lili Shek, MD, MHDS, FACP
California-Hawaii Regional Meeting Co-Chair; Cedars-Sinai Medical Center
