

## **2022 Investing in General Internal Medicine Membership Program**

*First come, First served*

SGIM offers a trainee program that provides **75 1st year Fellows** with an SGIM complimentary associate membership for one year. Upon approval, these 75 fellows will receive a welcome letter and, throughout 2022 and they will have access to all the SGIM member benefits of our lifelong learning community including our career development tools, events/meetings, publications, and mentoring and networking opportunities. Please note that refunds will not be processed for dues payments that were submitted prior to the launch of this program.

### **Eligibility Criteria**

In general, physicians are trained in Internal Medicine and currently enrolled in a full-time fellowship program that is a:

1. General internal medicine fellowship
2. Hospital medicine fellowship
3. Geriatrics fellowship
4. Hospice & palliative care fellowship
5. Health services research fellowship
6. Health policy fellowship
7. Obesity medicine fellowship
8. HIV medicine fellowship
9. Addiction medicine fellowship
10. Fellowship program in quality and safety (VA Quality Scholars and VA Chief Residents in Quality and Safety are both eligible)
11. Fellowship not included above that is directly related to the practice of, research in, or education of General Internal Medicine

*Exceptions will be considered on a case*
