Springer recommendations

1 additional Chinese AE

2 additional Middle East AEs

2022-23 Editorial Priorities

- Launch Medical Decision-Making series
- Maintain acceptance rate of $\approx 25\%$
- **Increase number of Open Access articles**
- Consider making graphical abstracts an option for authors
- **Appoint Ombudsperson for Equity and Inclusion**
- Transition to new Chief Editor group
- Increase number of Collections
- Continue to be leader in publishing
 - Disparities research
 - Medical education
 - QI/Implementation Science

Editorial Fellows

1. 2021-2023

- a. Jeydith Gutierrez (University of Iowa)
- b. Aimee Kroll-Desrosiers (University of Mass)
- c. Jarrat Pytell (Univ of Colorado)

2. 2022-2024

- a. Rachel Casas (Penn State)
- b. Noble Maleque (Emory University)
- c. Sarah Stella (Denver Health)
- d. Ashish Thakrar (Univ of Pennsylvania)
- e. Toshihiko Takada, MD MPH MSc PHD
(Fukushima Medical University, Japan)

Springer-SGIM Incentives

- \$75k paid to SGIM if incentives met
- Incentives negotiated by JGIM annually

| 2020-21 | 2021-22 | 2022-23 |
|--------------------------------|----------------------------------|---|
| Increase international editors | Launch JGIM Editorial Fellowship | Increase Open Access publications |
| Increase transfers | Measure AE Diversity | Create Ombuds person for diversity & equity |

Author Satisfaction

How would you rate your overall publishing experience?

2018

76% are likely to submit to the journal again

2019

65% are likely to submit to the journal again

■ Likely (scores of 9 & 10) ■ Passive (scores of 7 & 8)

2020

70% are likely to submit to the journal again

■ Likely (scores of 9 & 10) ■ Passive (scores of 7 & 8) ■ Unlikely (scores of 1 - 6)

2021

■ Likely (scores of 9 & 10) ■ Passive (scores of 7 & 8) ■ Unlikely (scores of 1 - 6)

*Based on 64 responses (3% response rate)

Editorial Board Member Roles?

- Reviewing articles/controversial editorials
- Writing Editorials
- Providing feedback/oversight/advice to JGIM editors
- Soliciting DEs
- Reviewing comments?

Challenges

- Associate editor pool
 - Continued recruitment but we need your help!
- Limited Springer support for press releases
 - Developed document for authors to do own press release
- SPRINGER website promises \neq reality

To Consider

- What is the optional duration of the JGIM editors?
 - Recommend considering extending term of office to 6 years.
- How many papers should we publish monthly?
- Should there no longer be the option to receive print version of JGIM?

2020-21 Editorial Priorities Progress

- Increase number of International DEs (increased to 7)
- Launched History of Medicine Series
- Launching JGIM Editorial Fellowship
- Increase JGIM Social Media
 - Ongoing
- Decrease publication of print edition of JGIM
 - 99% of members opted for online only when renewing membership in 2021
- Transition to new website
 - Website is live, working toward transitioning
- Increase number of articles transferred in Springer
 - 81% at present

2021-22 Editorial Priorities

- Increase diversity of DEs
- Continue leadership in diversity/disparities work
- Review JGIM publication processes and policies to ensure anti-racism stance
- Become leader in implementation science work
- Publish a special issue on medical education
- Successfully launch JGIM Editorial Fellowship
- Increase JGIM Social Media
 - Ongoing
- Transition to new website
 - Website is live, working toward transitioning

2022-23 Editorial Priorities

- Transition to new Editorial Team
- Continue leadership in diversity/disparities work
- Review JGIM publication processes and policies to ensure anti-racism stance
- Continue JGIM Editorial Fellowship
- Increase JGIM Social Media Presence
