

## Peer Reviewed Venues for Medical Education Scholarship & Research

Impact Factor – 2023

### Medline Indexed:

- ***Academic Medicine*** (IF 7.4):  
<http://journals.lww.com/AcademicMedicine/pages/default.aspx>; limits: Articles 1,500-3,000 words, 50 references
- ***Advances in Health Science Education*** (IF 3.9):  
<http://www.springer.com/education+%26+language/journal/10459>; original research, “Reflections,” and reviews in “all aspects of health sciences education;”
- ***Advances in Medical Education and Practice*\*\*** (IF 2):  
<http://www.dovepress.com/advances-in-medical-education-and-practice-journal>;  
\$2,680 APC; main focus on “curriculum development, teaching methodology, student assessment, curriculum evaluation, career planning, teachers’ training, and continuing professional development.”
- ***AEM Education and Training – A global journal of emergency care*** (IF 1.8):  
<https://onlinelibrary.wiley.com/journal/24725390>; multiple article types including “brief contributions;” limits: 1,500 words.
- ***American Journal of Medical Sciences*** (IF 3.1):  
<https://www.amjmedsci.com>; clinical/translational investigation, review articles, short review articles, “The Science of Medical Education;” limits: 1,000 words, 5 authors, 10 references
- ***American Journal of Medicine*** (IF 5.4):  
<https://www.amjmed.com>; AAIM Perspectives (APM) educational research/commentary, limits: 1,800-2,500 words, 4 tables/figures
- ***Association for Medical Education in Europe*** (AMEE) - MedEd Publish\*\* (IF 3.13):  
<https://www.mededpublish.org/>
- ***Association for Medical Education in Europe*** (AMEE)-Guides\*\* (IF 2.49):  
[https://www.academia.edu/42727607/AMEE Guides in Medical Education Online eAssessment](https://www.academia.edu/42727607/AMEE_Guides_in_Medical_Education_Online_eAssessment)
- ***ATS Scholar*\*\*** (IF 3.44):  
<https://www.atsjournals.org/journal/ats-scholar>; submission fee \$75, APC \$999
- ***BMC Medical Education*\*\*** (IF 3.9):  
<http://www.biomedcentral.com/bmcmededuc/>; APC \$2,890; “special focus on curriculum development, evaluations of performance, assessment of training needs and evidence-based medicine.”
- ***British Medical Journal*** (IF 107.7):  
<http://www.bmj.com/specialties/medical-education>; all education content is commissioned but may send a proposal using the “Education Article Proposal Form.”
- ***Canadian Medical Association Journal*\*\*** (IF 17.4):

- <http://www.cmaj.ca/>; research articles in medical education, limits: 2,500 words excluding abstract, table/figures, references; APC ~\$2,600
- **Education for Health\*\*** (IF 0.7):  
<http://www.educationforhealth.net/>; original research (3,000 words); brief communication (1,500 words); conference report (800 words) and others
  - **Evaluation & the Health Professions** (IF 2.8):  
<https://journals.sagepub.com/home/ehp/>; translational research focus
  - **Family Medicine\*\*** (IF 2):  
<https://journals.stfm.org/familymedicine/>; “Original scholarship about education in family medicine and primary care:” not limited to family practitioners, no APC
  - **Frontiers in Medicine – Health Professions Education\*\*** (IF 3.9):  
<https://www.frontiersin.org/journals/medicine/sections/healthcare-professions-education>; APC free-\$3295 depending on article type
  - **Gerontology and Geriatrics Education** (IF 1.9):  
<http://www.tandfonline.com/loi/wgge20#.Va2gVipViko>; articles related to “research, curriculum development, course and program evaluation, classroom and practice innovation,” limits: articles 6,000 words and brief reports 2,000 words
  - **Innovations in Health Sciences Education Journal\*\*** [U of Nebraska Medical Center] (IF N/A):  
<https://digitalcommons.unmc.edu/ihsej/>; limits: research 4,000 words excluding abstract, references and figures/tables, 7 total figures/tables
  - **International Journal of Academic Medicine\*\*** (IF 0.6):  
<http://www.ijam-web.org/>; APC \$250-350 depending on article type
  - **International Journal of Clinical Medicine\*\*** (IF N/A):  
<http://www.scirp.org/journal/ijcm/>; \$999 APC; original research and review articles
  - **International Journal of Educational Development** (IF 2.5):  
<http://www.journals.elsevier.com/international-journal-of-educational-development/>; focus on “new insight and foster clinical debate about the role education plays in development.”
  - **International Journal of Medical Education\*\*** (IF 7.1):  
<http://www.ijme.net/>; short communications, perspectives, and medical educational research; APC ~\$1,700
  - **International Journal of Medical Science and Education\*\*** (IF 3.74):  
<http://www.ijmse.com>
  - **International Journal of Medical Science Research & Practice\*\*** (IF n/a):  
<https://www.isroset.org/journal/IJMSRP/index.php>; no cost to publish
  - **JAMA**(IF 120.7):  
<https://jamanetwork.com/journals/jama>; articles can be published through the main journal and some of the JAMA Network specialty journals
  - **JAMA Network Open\*\*** (IF 13.8):  
<https://jamanetwork.com/journals/jamanetworkopen>; various article types with differing limits; APC \$3,000
  - **JMIR Medical Education\*\*** [technology focused] (IF 3.6):  
<http://mededu.jmir.org/>; focus on, “[...]Technology, innovation, and openness in medical education. This includes e-learning and virtual training[...]”; APC \$1,985

- ***Journal of Continuing Education in the Health Professions*** (IF 1.8):  
<http://onlinelibrary.wiley.com/journal/10.1002/%28ISSN%291554-558X>; 3,000-4,500 word limit depending on article type – original research, “Innovations in Continuing Education,” and book reviews
- ***Journal of Education and Training Studies (JETS)*** (IF n/a):  
<http://jets.redfame.com>; original reports; APC \$300
- ***Journal of Evaluation in Clinical Practice*** (IF 2.4):  
[http://onlinelibrary.wiley.com/journal/10.1111/\(ISSN\)1365-2753](http://onlinelibrary.wiley.com/journal/10.1111/(ISSN)1365-2753); original papers, commentaries, reviews, brief reports, letters to the editor, and editorials focusing on, “All aspects of health services research and public health policy[...].” limits: various limits depending on article type
- ***Journal of General Internal Medicine*** (IF 6.2):  
<http://www.springer.com/medicine/internal/journal/11606>; “Innovations in Medical Education.” limits: 2,000 words
- ***Journal of Graduate Medical Education*\*\*** (IF 1.2):  
<http://www.jgme.org/>; original research, educational innovation, review, brief reports, perspectives, visual media and others. Different word and figure limits based on manuscript category. Distributed by ACGME to all program directors.
- ***Journal of Hospital Medicine*** (IF 3.4):  
<https://shmpublications.onlinelibrary.wiley.com/journal/15535606>
- ***Journal of Interprofessional Care*** (IF 2.8):  
<http://www.tandfonline.com/loi/ijic20#.VgkiWsJdGM8>; original research, short reports, review articles, and theoretical papers; limits: 7,000 words, short reports 2,000 words
- ***Journal of Medical Education and Curricular Development*\*\*** (IF 2.5):  
<http://journals.sagepub.com/home/mde>; APC \$2,000
- ***Journal of Medical Internet Research: Medical Education*\*\*** (IF 3.6):  
<http://mededu.jmir.org/>; \$1900 APC; research and review articles with “focus on technology, innovation, and openness in medical education.”
- ***MedEdPortal*\*\*** (IF N/A):  
<https://www.mededportal.org/>; submissions of “[...][G]eneralizable educational activities that have been implemented with target learners with the aim of helping to improve patient care.”
- ***Medical Education*** (IF 7.1):  
[http://onlinelibrary.wiley.com/journal/10.1111/\(ISSN\)1365-2923](http://onlinelibrary.wiley.com/journal/10.1111/(ISSN)1365-2923); numerous manuscript types with different word limits. Examples: “Really Good Stuff” (innovations in education, 500 words), Review Articles (3,000 words), Commentaries (1,000 words)
- ***Medical Education Online*\*\*** (IF 4.7):  
<http://med-ed-online.net/index.php/meo>; APC \$2,630
- ***Medical Science Educator*** (IF 1.7):  
<https://www.springer.com/journal/40670>; Innovation, Short Communications, Reviews, and Original Research
- ***Medical Teacher*** (IF 4.5):

- <https://www.tandfonline.com/journals/imte20>; multiple article types with varying limits
- ***Patient Education and Counseling*** (IF 3.5):  
<http://www.pec-journal.com/>; section on Medical Education articles
  - ***Peer-Reviewed Reports in Medical Education Research*** (PRiMER)\*\* (IF 4.08):  
<https://journals.stfm.org/primer>; focus on, “[...]mall, regiorously designed original research briefs in medical education[...]” ; limits: main manuscript 1,000 words
  - ***Southern Medical Journal*** (IF 1.1):  
<https://sma.org/smj/> ; “Bioethics and Medical Education”
  - ***Teaching and Learning in Medicine*** (IF 2.7):  
<http://www.tandfonline.com/loi/html20#.Va2RZCpViko>; investigations, educational case reports, and observations
  - ***The Clinical Teacher*** (IF 1.8):  
[http://onlinelibrary.wiley.com/journal/10.1111/\(ISSN\)1743-498X](http://onlinelibrary.wiley.com/journal/10.1111/(ISSN)1743-498X); numerous manuscript types with different word limits
  - ***World Journal of Medical Education***\*\* (IF N/A):  
<https://wjmer.co.uk/#home&ga=2.157811256.366210988.1644741760-1990261674.1644741760>; limits: 3,000 words

#### Non-Medline Indexed:

- ***Educational Researcher*** (IF 7.5):  
<https://journals.sagepub.com/home/EDR>; APC \$3,000; research articles, limits: 5,000 words, 40 references, 5 figures/tables; reviews/essays, limits: 4,000 words, 40 references; briefs, limits: 1000 words, 6 references, 2 figures/tables
- ***The Educational Research*** (IF N/A): <http://interesjournals.org/ER/>; APC \$2,200

## Case Reports/Clinical Vignettes & Imaging – General Internal Medicine

All Peer-Reviewed; Impact Factor – 2023

#### Medline Indexed:

- ***American Journal of Case Reports***\*\* (IF 1.2):  
<http://amjcaserep.com/>; \$995 APC
- ***American Journal of Medicine*** (IF 5.9):  
<http://www.amjmed.com/>
- ***Annals of Internal Medicine*** (IF 39.2):  
<http://annals.org/>; “Letters: Case Reports”, limits: 700 words, 5 authors, 5 references, 2 table/figure
- ***Annals of Internal Medicine Clinical Cases***\*\* (IF N/A):

- <https://www.acpjournals.org/journal/aimcc>; APC \$743 for members of ACP or AHA and \$990 for nonmembers; Case report, case series, image/video case, clinical reflections; limits vary by manuscript type
- ***BMC Medical Research Methodology*\*\*** (IF 7):  
<http://www.biomedcentral.com/bmcmedresmethodol/>; APC \$2990
  - ***BMC Research Notes*\*\*** (IF 4):  
<http://www.biomedcentral.com/bmcresnotes/>; APC \$1790
  - ***British Medical Journal*** (IF 107.7):  
<http://www.bmj.com/>; “Minerva Pictures—[...][O]ffer an educational message and depict an abnormality obviously” and “Endgames—[...][Q]uizzes based on genuine clinical scenarios.” Limits: Two authors and 100 words for Minerva pictures, 150 word vignette with 200 word answer section for Endgames.
  - ***BMJ Case Reports*** (IF 0.9):  
<http://casereports.bmj.com/>; ~\$439 “fellow” APC; case reports and imaging/videos
  - ***Canadian Medical Association Journal*\*\*** (IF 17.4):  
<http://www.cmaj.ca/>; “Practice--Cases”, limits: 1,500 words, 4 authors, 10 references; “Clinical Images,” limits: 300 words, 2 images, 3 references, and 3 authors
  - ***European Journal of Internal Medicine*** (IF 5.7):  
<http://www.ejinme.com/>; “Internal Medicine Flashcards:” Clinical case with images. limits: 400 words, 3 authors, 3 references; case reports generally not published without, “[...][H]ighly innovative findings.”
  - ***International Journal of General Medicine*\*\*** (IF 2.4):  
<http://www.dovepress.com/international-journal-of-general-medicine-journal/>; \$2,680 APC; case reports, no specified limits
  - ***JAMA*** (IF 120.7):  
<http://jama.jamanetwork.com/journal.aspx>; JAMA “generally does not publish case reports.” “Clinical Challenge—Presents an acutal patient case with a specific disease or condition with an accompanying clinical image.” Limits: 850 words, 10 referencnes, 3 authors, 1-2 figures.
  - ***Journal of Family Practice*** (IF 2.6):  
<https://www.mdedge.com/familymedicine>; Case Reports, limits: 750 words, 10 references; “Photo Rounds,” limits: 1-2 photos, 700 word discussion, 6 references
  - ***Journal of General Internal Medicine*** (IF 6.2):  
<http://www.springer.com/medicine/internal/journal/11606>; “Clinical Vignettes,” limits: 2000 words, 200 word abstract, must be member of SGIM; “Clinical Images,” limits: 200 words with image, 3 authors
  - ***Journal of Hospital Medicine*** (IF 3.4):  
[http://onlinelibrary.wiley.com/journal/10.1002/\(ISSN\)1553-5606](http://onlinelibrary.wiley.com/journal/10.1002/(ISSN)1553-5606); “Clinical Care Conundrum”: requires approval by JHM editorial staff; limits: 2,750 words, 20 references, 4 tables/figures (\*\*doesn’t accept case reports/series – CCC’s are discussions by “expert clinicians” on therapeutic or diagnostic dilemmas)
  - ***Journal of Medical Case Reports*\*\*** (IF 1):  
<http://www.jmedicalcasereports.com/>; \$1,655 APC
  - ***Journal of Postgraduate Medicine*** (IF 1.6):

- <http://www.jpgmonline.com/>; \$50 image/figure fee; case reports, limits: 1000 words, 10 references; case reports with good images may be converted to “images in medicine/radiology/pathology” at discretion of the editorial team; “Case Snippets,” short case, limits: 4 authors, 700 words
- ***Journal of the Royal Society of Medicine*** (IF 11.2):  
<http://jrs.sagepub.com/>; open access is an option that may or may not require a APC based on author’s institution
  - ***Mayo Clinic Proceedings*** (IF 8.9):  
<http://www.mayoclinicproceedings.org/>; case reports, limits: 800-1800 words, 2 tables/figures, 7 pages double-spaced
  - ***New England Journal of Medicine*** (IF 158.5):  
<http://www.nejm.org/>; “Brief Report,” 1-3 patients or family, limits: 2000 words, 25 references, 3 tables/figures; “Images in Clinical Medicine,” limits: 150 words, 2 authors
  - ***Oxford Medical Case Reports*\*\*** (IF 0.5):  
<http://omcr.oxfordjournals.org/>; \$1,050 APC; case reports, clinical images
  - ***The American Journal of the Medical Sciences*** (IF 3.1):  
<http://www.amjmedsci.com/>; \$40/page APC; “Online Images in the Medical Sciences,” limits: 3 images, 500 words with 3 authors and references
  - ***The Lancet*** (IF 118.1):  
<http://www.thelancet.com/>; Case reports, “Clinical Picture”

#### Non-Medline Indexed:

- ***Clinical Case Reports*** (IF 0.7):  
<http://onlinelibrary.wiley.com/journal/10.1002/%28ISSN%292050-0904>  
\$1,730 APC; case reports, clinical images, or clinical videos
- ***Clinics and Practice*** (IF 2):  
<http://www.clinicsandpractice.org/index.php/cp/>; ~\$1,800 APC; case reports
- ***Grand Rounds*\*\*** (IF n/a):  
<http://www.grandroundsjournal.com/>; ~\$186 APC; case reports, limits: unlimited images allowed
- ***International Journal of Case Reports and Images*\*\*** (IF n/a):  
<http://www.ijcasereportsandimages.com/>; \$375 APC; “Case Reports,” limits: 4,000 words, 6 authors, 30 references, 5 tables, 10 figures; “Clinical Images,” limits: 2,000 words, 4 authors, 15 references, 2 table, 5 figures
- ***International Journal of Women’s Health*\*\*** (IF 3.3):  
<http://www.dovepress.com/international-journal-of-womens-health-journal/>; \$2,890 APC; case report
- ***Journal of Medical Cases*\*\*** (IF n/a):  
<http://www.journalmc.org/index.php/JMC/issue/archive/>; \$750 APC; case reports, no specified limits
- ***JSM Clinical Case Reports*\*\*** (IF n/a):  
<https://www.jscimedcentral.com/journal-info/JSM-Clinical-Case-Reports/>; \$1,530 APC for case reports, \$1,800 for clinical images

- ***Open Journal of Clinical & Medical Case Reports*\*\* (IF 2.1):  
<http://www.jclinmedcasereports.com/>; \$2,000 APC; case presentations, series, and study, no specified limits**
- ***SAGE Open Medical Case Reports*** (IF n/a):  
<https://us.sagepub.com/en-us/nam/sage-open-medical-case-reports/journal202143>;  
\$670 discounted APC (\$895 base fee); case reports, limits: 1200 words, 15 references, 2 figures/tables
